SUMMER CAMP

11 WEEKS OF FUN

During the summer, you have the option to sign-up for whichever weeks peak your child's interest, or you can sign up for the whole summer!

COST & TIMING

Since summer camp runs on a weekly schedule, the cost is weekly as well. Each week cost \$420 to attend. Your summer invoice will reflect the number of weeks you sign up for. If you are signed up for the whole summer, you will have the option of paying half of your Invoice by June 19th, and the other half by August 1st. Camp kids can be dropped off anytime between 6:00 AM - 9:30 AM and should be picked up before 6:00 PM.

*There is also a non-refundable \$50.00 Registration fee for every applicant.

FIELD TRIPS

We will be going on many field trips this summer, and your weekly cost already factors in the cost of those trips, so there will be no surprise fees. You can expect your Kindergartener or 1st Grader to go on 2 field trips a week, while our 2nd - 5th graders will go on 2-3 field trips a week. These field trips will be anywhere from the local park to the flight museum and everywhere in-between. A full list of Field trips will be sent out before your first day of camp!

SUMMER CAMP WEEKLY THEMES

PACK & PREP

WEEK 1

JUNE 19TH - 23RD

Lets get ready for a summer of exploration and adventure. During week 1, we will be talking about safety for field trips, summer camp rules, and just getting the lay of the land.

MERMAID WORLD

Week 2

June 26th - 30th

Explore the deep blue sea with us as we dive into the world of ocean life, science and the mystical creatures of the Sea.

Castles

Week 3

July 3rd - 7th

During ToonTown Jr, our Kindergarten and 1st Grade campers will be learning about the Kingdom of God. Our older campers will be taking field trips to learn about the history of Knights, Crowns, Kings and Queens.

Castles

Week 4

July 10th - 14th

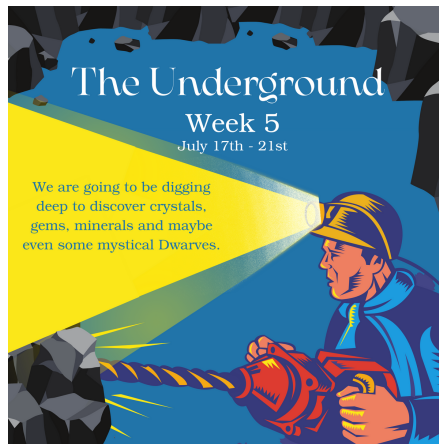

During ToonTown, our 2nd - 5th Grade campers will be learning about the Kingdom of God. Our younger campers will be taking field trips to learn about the history of Knights, Crowns, Kings and Queens.

The Underground

Week 5

July 17th - 21st

We are going to be digging deep to discover crystals, gems, minerals and maybe even some mystical Dwarves.

Fantasy Fields

Week 6

July 24th-28th

Into the fantastical fields we go, looking for food, fun, and friends! The sun at over our heads, let's enjoy the greenery of our homes!

UNICORN GLADE

WEEK 7

JULY 31ST - AUGUST 4TH

Perhaps not just bears, birds and bugs live out in the forest. Lets explore the world beyond what we see and see where our Imagination takes us.

Sphinx

Week 8

August 7th - 11th

The desert is more than just hot sand and open plains. Lets not forget about the great pyramids in Egypt or the discoveries still being made about ancient civilization.

Sky Sanctuary

Week 9

August 14th - 17th

Above the clouds lives an array of creatures and legends. Not to mention, some of the most fierce weather systems.

THE OLD WEST

WEEK 10

August 21st- 25th

LETS TRAVEL BACK TO THE WILD WILD WEST WHERE COWBOYS AND COWGIRLS SPENT THEIR DAYS RANCHING AND LASSOING.

Space

WEEK 11

AUGUST 28TH - 31ST

Planets, stars, galaxies, and more. Lets discover it all during our week of space. Maybe we will even discover if aliens really do exist.

SUMMER ACADEMY

4 WEEKS OF ACADEMICS

Pre your student for the year to come. During Summer Academy, we will review past materials learned during the school year, as well as look at new learning material that will be covered in the school year to come!

COST & TIMING

Summer Academy costs \$1260 for the entire program. This is a fast passed 4-week program that runs between 9:00 AM - 2:30 PM Monday - Friday from July 17th through August 11th. This 4-week program is not flexible, and students are expected to attend the full 4-weeks.

There is also a non-refundable \$50.00 Registration fee for every applicant.

WHAT WILL THEY LEARN?

Throughout the 4-week Summer Academy Program, students will be focussing on four main subjects; math, reading, writing and science. Each of these subjects is taught in a different way to reflect each student's individual learning abilities and level of proficiency in each area.
